

## Jumelages Galway Enjoy the Mutli-Section Meeting in Hendaye, France in September 2017

The Nord Isere Section organised the mutli-section meeting in Hendaye from 24 September to 1 October 2017. Twelve members from the Galway Section attended this very enjoyable meeting and were delighted to meet friends from the Nord Isere, Bonn, Bielsko Biala, and Darmstadt Sections.

Danielle Thery and her colleagues from the Nord Isere Section had prepared a very interesting and exciting programme for this meeting. It was wonderful to spend time in the Basque Country which had so much to offer, great scenery, beautiful towns, great walks, a most interesting culture and history, nice climate, and top-class food, wine, and cider, with such an excellent tour guide! What more could anyone ask for than spending enjoyable time with friends in Southern France and Northern Spain?

The accommodation at the holiday village of Azureva of Hendaye was very good and a great choice for this meeting. The location, so close to the Hendaye beach, was a real bonus as we all had opportunities to spend time on the beach and enjoy a swim in the Atlantic! The Azureva provided facilities for an international sing-song on a few occasions and Willionce again provided excellent music and this was an enjoyable and entraining experience for all.

We all have great memories of the meeting and very well done to Danielle and her team.
